Sunday School Update

With nearly 100 in attendance from Pre-K through Adult Sunday School Classes, our year is off to a fantastic start! We continue working toward meeting California's Safe Child Law requirements. If you have any desire to help as a Teacher, Helper, or Sub, get fingerprinted and background checked, when the time comes. We will announce that time as soon as we are able to get it on the Calendar. Also, due to space constraints and recording ability, the *Adult Class will return to the Sanctuary*. We simply ask that all who attend sit toward the front for help in interaction with the teachers.

Women's Bible Study Update

Over 50 ladies have signed up to participate in the study through James, led by Emily Wood. There is a 10:30 AM section and a 6 PM section that both began meeting this past Wednesday. Yes, the evening section is starting before Intermission does.

Childcare during Sunday School

A couple of ladies are willing to provide oversight in the nursery but are limited in their physical abilities. *If you are able to serve on a rotation for this much-needed ministry of childcare, please let the office know.* This helps young parents, especially single parents, attend Sunday School classes and receive that encouragement.

New Website Class for newlifelamesa.org

This Sunday, Pastor Joel will take the adult Sunday School class time to give a brief tutorial on the newly redesigned newlifelamesa.org. The following will be covered: where to point people for information about New Life, how to find the weekly Worship Guides and New Life News, how to navigate the Livestream feature, and where to register for special events.

New On-Campus Livestream Location

This Sunday, we begin offering our On-Campus Livestream in Room 201. Please hold this space for those who are medically require to be socially distanced at this time. We want them to feel safe and welcome in a more appropriately-sized space for the current need.

a gospel community joyfully loving God & others

Wednesday Night Intermission Details

October 12 begins our midweek ministry/outreach night, geared toward kids & youth! There will be clubs for elementary grades focused on learning the kids catechism, *Pilgrim's Progress*, and the Westminster Shorter Catechism. The High School & Middle School "Newth Group" will be taught by Pastor Joel. For adults, the Women's Bible Study and the Call to Prayer are both meeting. Nursery/Childcare & Food Service/Hospitality still have great needs for leadership and volunteers. Don't hesitate to contact the office to find out how you can help!
