Around the New Life Campus

Our amazing sound panel installation team has handily finished hanging all 93 sound panels in the Fellowship Hall. The noise when large groups are in there is already so much more manageable. Our first big test will be at this Sunday Evening's Fellowship Meal & Worship Service!

Coco Stringer and her granddaughter have been hard at work redecorating our nursery space!

Supplies for the Solar Panel project started being delivered last week.

Biblical Counseling Team

A total of Six New Lifers, including Pastor Joel, made their way to Anaheim Hills last weekend for the first of three Counseling & Discipleship Training weekends hosted by Kindred Counseling at Kindred Church. That counseling ministry is pastored by Dr. Andrew Rogers (inset), who also serves as the Executive Director of Overseas Instruction in Counseling (soon to be BC Worldwide). In 2019, Pastor Joel served with them, teaching Biblical Counseling at the Presbyterian seminary in the Philippines.

Pray for these folks as they go through extensive training to provide biblical counseling for our congregation and community, such a great part of our Outward to 60 Vision!
