Women's Book Study

True Community by Jerry Bridges. The study will include a light lunch and further fellowship at the home of Florence Glaubius on **Thursdays starting at 10 am on August 31**.

Our goal in working through this book together is to first understand the foundation for true community as we must first be in relationship with Christ and second what true fellowship looks like as we seek to share this common life with other believers.

As **Pastor Joel** has so recently taught us from Acts 2 - "They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer", this sharing of a common life was a mark of the early church.

The book is written with a shepherd's love for the flock, exhorting with loving encouragement. More information at: newlifelamesa.org/events/womens-book-study--102/2023-09-07

Women's Bible Study

Ladies, do you get distracted by the latest & greatest shiny thing? The world would have us believe we are so close to living our best lives—just one book, product or idea away from being perfect. We can all be tempted by things that look to be better than Jesus. It could be work, relationships, money, or anything else. That is why the message of Hebrews applies to all of us. Michael Kruger points out in the book of Hebrews God gives us a doctrinal anchor: a clear and detailed understanding of exactly how and why Jesus is better than anything else. This will prevent us from drifting away from our faith. Ladies, starting September 6th we resume our Wednesday Women's Bible study. For more information and to sign up, visit newlifelamesa.org/events/womens-bible-study-morning--100/2023-09-06

Guys' Night

Calling men & teenage sons for an evening of food, fun & fellowship at the Fredrickson home, 14512 Meadowrun St., San Diego. Bring the beverage of your choice and some cash to chip in for food. RSVP at:

Missions

Our **August Missionaries of the Month** are Pastor Mike and Janie Brown along with Pastor Vincenzo and Judit Coluccia. Pietra Vivente Church Plant and 11 members of Christ Church Presbyterian, Charleston, S.C. were very busy in these last days of Summer with outreach events of a 2-day VBS, Technology Lecture, Music Concert and Men’s and Women’s Fellowship Meals, celebrating God’s goodness and mercy with new friends. They ask that we join them in prayer for the salvation of very close friends (Oana and Fausto) who enjoy their friendship with generous hospitality, but have yet to confess to the Gospel preached. Pray also for their potential new members; especially those who are still adjusting to life in Italy. Ask the Lord to bless their plans for Children’s ministry, a new study curriculum for women, and a new members’ class. Pray wisdom and strength as they begin home schooling Abigail. MERF, around the world – Pick up a copy of the August 2023 MERF News on our Missions Wall and read an excellent explanation of MERF’s purposes and means of supporting “indigenous churches” around the world...particularly in Muslim majority countries. Sign-up to receive their monthly News Letters (powerofchristatwork.net) so you might be encouraged to learn how God is at work and how to pray specifically for your brothers and sisters across the globe who are eager to reach out to “their own” people with the Gospel.

Church Family
