New Life PCA supports the Cadet ministry. In order to defray costs for uniforms and and other supplies, registration dues of \$40.00 per cadet is requested. Please make checks payable to "New Life PCA - Cadets" and submit along with this registration form. If this amount causes a hardship or family difficulty, please contact any counselor listed below.

For more information about Bayview Cadets, contact club counselors: Pete DeWitt or Matt Walkup. <u>Check out the Southern California Council website: http://www.socalcadets.com/.</u>

Parents shall be asked to help with field trips, assist with meetings, or participate in other activities. Your participation will determine the quality of the activities and enhance this Cadet ministry.
